

# **PRIVACY POLICY**

## **35<sup>th</sup> National Conference of Students' Research Societies Section of Medicine and Health Sciences**

This Privacy Notice summarizes the information you should know about how we use and protect your personal information in accordance with the requirements of the EU General Data Protection Regulation (GDPR) during the online event of the Medical and Health Sciences Section of the 35th National Scientific Student Conference.

### **1. Who can you contact?**

The University of Szeged is the data controller in connection with the data management of the online event of the Medical and Health Sciences Section of the 35th National Scientific Student Conference, but the specific data management is performed through the following organizational unit.

#### **University of Szeged**

#### **Department of Medical Physics and Informatics, Faculty of Medicine**

Contact name: Dr. József Tolnai, Executive Secretary

Mailing address: 6701 Szeged, Pf. 427.

Phone: +36 (62) 545-792

E-mail: [tdk.aok\[at\]med.u-szeged.hu](mailto:tdk.aok[at]med.u-szeged.hu)

Website: <http://otdk2021.med.u-szeged.hu>

Name and contact details of the Data Protection Officer: this Data Protection Information can be found in Section 11.1. point.

Feel free to contact us at any of the above contacts if you have any questions regarding data management.

### **2. What are the main legal requirements?**

We would like to inform you that

- your personal data will be transferred to natural persons in accordance with Regulation 2016/679 of the European Parliament and of the Council (GDPR) on the protection of personal data and the free movement of such data and repealing Directive 95/46 / EC.
- in accordance with the provisions of Act CXII of 2011 on the right to self-determination and freedom of information.

### **3. Does the University of Szeged have a Privacy Policy?**

Yes. The Privacy Policy of the University of Szeged is available at the following link:

<http://www.u-szeged.hu/szabalyzatok>

## **PRIVACY POLICY**

### **35<sup>th</sup> National Conference of Students' Research Societies Section of Medicine and Health Sciences**

#### **4. What kind of data management do we implement?**

During the online event of the Medical and Health Sciences Section of the 35th National Scientific Student Circle Conference, we perform the following data management activities - 1. making image and sound recordings, requesting facial images.

##### **4.1. Picture and sound recording (video recording)**

We would like to inform you that in the program we make video and audio recordings (video recordings) in the form of mass recordings and in connection with public performance, as well as in the form of individualized (individual recordings).

We also draw your attention to the fact that the event is open to the press.

##### **Mass recordings and data management related to public participation**

As a legitimate interest we make video and audio recordings (video recordings) in the form of mass recordings and in connection with public performance.

According to the Act V of 2013 on the Civil Code 2:48. § (2), in the case of mass recordings and public appearances, the consent of the data subject is not required for the preparation or use of the recording.

However, the data subjects must be informed in advance in such a case as well, therefore we comply with our prior information obligation with this Data Management Information.

At the same time, the University of Szeged is committed to the protection and security of all forms of personal data and to respect for the rights of the individual, therefore, we inform you that the mass recordings, as well as the recordings regarding the public performance, will be used for the promotion of the event, for marketing purposes through the online and offline channels of the University of Szeged.

We would like to inform you that you can exercise your right to protest in connection with a mass recording or a recording made in connection with a public performance.

through the contact person prior to the program, or

- at the venue of the program, indicating this to the event organizers,

so that the organizers can most effectively resolve that you are not included in the recordings.

##### **Data management related to individualized (individual) recording**

In all cases, we ask for the consent of the person concerned for the preparation and use of individualized recordings according to the Act V of 2013 on the Civil Code 2:48. § (1). When giving your voluntary consent, we will record the following information for identification purposes. The sending of the portrait is voluntary, in case of sending it is considered as consent.

## **PRIVACY POLICY**

**35<sup>th</sup> National Conference of Students' Research Societies**  
**Section of Medicine and Health Sciences**

What data is it?	Why do we record?	What is the legal basis for data management?	How long do we store it?
Name (surname and first name)	We take it in order to identify the person and section remuneration	Based on a legitimate interest.	
Name of the University			
Phone number			
Photo			

The voluntary contribution can be revoked at any time. We would like to inform you that the withdrawal of consent does not affect the lawfulness of the data processing prior to the withdrawal. In the cancellation request, we ask you for the same information for identification as when giving your consent (cf. table above).

The recorded data will be stored for a maximum of 1 year until the withdrawal (deletion) of the voluntary consent is completed. After that, we will no longer store your revoked personal data or your cancellation request.

### **5. Who can know your personal data?**

In connection with the online event of the Medical and Health Sciences Section of the 35th National Scientific Student Conference, your personal data may be disclosed to the data processing organizational unit mentioned in point 1 of this Data Management Information, as well as to those to whom your personal data is transferred or forwarded (jointly recipients).

#### **5.1. Data transfer within the organization**

We transfer the data to the University of Szeged (organizational unit), due to the division of labor within the organization, in the legitimate interest. All organizational units of the University of Szeged are bound by data protection regulations, and with regard to their data management, they pay special attention to the principles of purposefulness, fairness, transparency and data minimization.

#### **5.2. Data transfer outside the organization**

We do not transfer data, either domestically or abroad.

The data processed about you will only be processed by the persons designated by the controller indicated in point 1, according to the purpose, legal basis and retention period indicated in point 4.

### **6. Do we use a data processor?**

No, we do not use a data processor.

### **7. Do we collect personal information about you from other sources?**

No. We receive the data processed about you from you, we do not collect data from other sources.

### **8. Is there automated decision making during data management?**

No.

### **9. What are the legal consequences of failure to provide data?**

There are no legal consequences for failure to provide information, we cannot enter a voluntary contract or participate in the program as a participant.

### **10. What rights do you have?**

In connection with the online event of the Medical and Health Sciences Section of the 35th National Scientific Student Conference, you have the following rights:

1. Right to information - you can request information about the processing of your personal data. We guarantee your right to information by preparing and publishing this Privacy Policy.
2. right of access - you have the right to request personal information and a copy of the personal data we process.
3. Right to rectification - if you notice inaccuracies in the personal data we process, you have the right to request rectification.
4. the right to withdraw the voluntary contribution as well as the right to cancel - the voluntary contribution can be withdrawn at any time. We would like to inform you that the withdrawal of consent does not affect the lawfulness of the data processing prior to the withdrawal. If the processing is based on voluntary consent and there is no other legal basis for the processing, you can request the deletion of your personal data after protest has been taken, if there is no other legitimate reason for further processing.
5. right to restriction - you can request a restriction of your data, e.g. when disputing the accuracy of the data processed, as long as the controller checks their accuracy, or e.g. to enforce a legal claim.
6. the right of data portability - in the case of our automated data processing, if the data processing is based on your voluntary consent or contract and you need your personal data, we will transfer it to you.
7. the right to a remedy - in case of a breach of his rights, he has the right to seek redress.
